

THE FIRST ANNUAL *Mixter Memorial Concert*

CELEBRATING A GREAT LOVE OF MUSIC

Jim Mixter loved music of all kinds. He and his wife, Phebe have been major supporters of the music program at Christ Church and Jim was intimately involved in both the formation of our original Concert Series and the project that brought our beautiful new organ to Christ Church.

Prior to his passing, Jim and Phebe set up a music fund to assist the church in continuing our wonderful music programs.

Once a year, in the Spring, we will pause in a beautiful musical setting to remember Jim and his contributions to Christ Church, while at the same time helping to ensure that our musical programs continue.
